

# Invitation to CEITEC Nano Open day for academic users 28<sup>th</sup> March 2017

## What is CEITEC Nano ?

The CEITEC Nano is the Czech Republic's largest cleanroom nanocentre, which provides complex equipment, expertise and methods for nanotechnology and advanced materials R&D.

## Who can use it ?

All academic users from the Czech Republic and abroad can use the CEITEC Nano under the same conditions. Within the open day we will explain how to get an access to the infrastructure, demonstrate its equipment and explain available services for nonlocal users.

## Programme:

- 12:00–14:00** Arrival to CEITEC Nano, registration, lunch
- 14:00–15:00** Introduction of CEITEC Nano Research Infrastructure
- 15:00–16:00** Excursion to CEITEC Nano (general), coffee break
- 16:00–18:00** Specialized workshops, hands-on sessions
- 18:00–21:00** Poster session and banquet

**Come and see  
 what we can do  
 for your research**

Registration: [HERE](#)

Deadline for registration: **19<sup>th</sup> March 2017**
